

To Whom It May Concern:

This is to certify that BRUNTON COMPASS Pocket Transit F-5008 “Compro” manufactured by BRUNTON OUTDOOR USA is a proprietary product of BRUNTON and there is no other Manufacturer making same product under this brand name and specification in the world. Brunton does not license its brand name or patents to any third party manufacturers and any Transit bearing the name Brunton not made in our USA factory should be considered a counterfeit product.

In case of any further clarification feel free to contact Brunton Outdoor.
